

REMARKS

Claim 13 stands rejected under 35 U.S.C. 112, first paragraph. Claim 13 has been canceled without prejudice. Accordingly, the rejection is moot.

Claims 9-13 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Claims 9-13 have been amended to obviate the rejections. Applicants respectfully request removal of this rejection.

Claims 6-8, 11 and 13 were objected too. Claims 6-8, 11 and 13 were amended to obviate the objections.

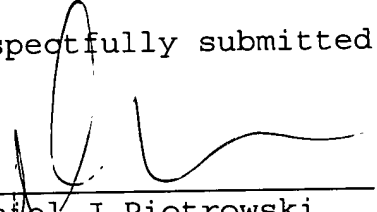

The specification has been objected to for lacking section headings. Applicant respectfully submits that 37 CFR §1.77(b) discloses a *suggested* format for the arrangement of the disclosure. Applicant respectfully submits that the present disclosure follows the suggested format where applicable. With regard to 37 CFR§1.77(c), which was not cited in the Office Action, Applicant respectfully submits that section headings are suggested but not required, as 37 CFR §1.77(c) clearly states the sections defined in paragraphs (b) (1) through (b) (11) "should" be preceded by a section heading. Applicants

respectfully decline at this time to amend the disclosure to include same.

Applicants greatly appreciate the Examiner's indication that claims 1-5 are allowed

The applicants submit that the claims, as they now stand, fully satisfy the requirements of 35 U.S.C. 112. In view of the foregoing amendments and remarks, favorable reconsideration and early passage to issue of the present application are respectfully solicited.

Respectfully submitted

By
